

TAKE AMAZON ALEXA ON THE GO

Take Amazon Alexa¹ on the road with you and conveniently access thousands of the same functions you get with Alexa at home.

Listen to audiobooks, play your favorite music, make lists, check the weather, get news briefings, and much more. Control compatible smart-home devices such as lighting, thermostat and security systems.

Offering added in-vehicle convenience, Alexa can even sync to your Navigation System to provide on-the-go recommendations².
